We are shooting for the stars with another brilliant pyrotechnic spectacular this year. Enjoy a balmy evening while checking out games and vendors, picnicking with family & friends, listening to great live music and - the perfect ending - watching the sky light up in vivid colors.

"Big thanks to our Fireworks Committee - the volunteers who plan this wonderful community event each year. It is donations from Montgomery residents and businesses which keep it going," said Mayor Rich Smith.

Special Olympics USA Cycling was 1st event at Skillman Park

Mayor Smith congratulates Katie Rupert of Grand Rapids Ohio, who won gold in the 2k and silver in the 5k and 10k cycling events.

Special Olympics USA 2014 cycling events were held at Somerset County's Skillman Park the week of June 16th.

Time trials and races ranged from 500 m to 15 k. Teams came from all over the United States, from as far away as Hawaii. Law

enforcement volunteers carried the torch into Montgomery Twp. to open the games and the final awards were given out Thursday, June 19th.

There was great comraderie and sportsmanship displayed and it was a wonderful experience for all the competitors, their families and friends, organizers, volunteers, National Guard soldiers, Montgomery Twp. Police, honored guests, and those who came out to cheer on the athletes. This also marks the first event held at Skillman Park.

Mayor Rich Smith was very pleased Thursday to be able to hand out the medals to the winners of one of the 5 k competitions.
